#### **Terms and Conditions**

**Please read these conditions and terms of entry carefully. By entering this contest artists agree to comply with the following terms:**

#### **CONTEST AIMS**

The aim of the Linocut Contest, organized by TYP A, is to promote original artwork in linocut printmaking to new audiences. TYP A’s Linocut Contest is a yearly event, celebrating Estonian and international printmakers of all ages. Every year we invite artists from all over to take part by submitting their linocut printed artworks into our exhibition. The exhibition is also accompanied by a series of workshops, held at TYP A.

#### **PEETER ALLIK**

This year, TYP A invites artists to take inspiration from one of Estonia’s most notable linocut artists, Peeter Allik. An exceptionally prolific artist, Allik took part in more than 300 exhibitions both in Estonia and abroad. Known for his distinctive black and white, graphic style, and his political and satirist themes. Artists are able to take inspiration from any aspect of his work and can be free with the theme. They can find images of his work here: <https://www.peeterallik.eu/>

**The 2026 exhibition will take place from the 23rd April until the 14th of June.**
